SUBJECT: Professional Development Grants

Last year, you and I discussed providing professional development grants for women on campus. You indicated that you would set aside $1,000 per fiscal year for these grants. The Office of Affirmative Action would receive the money and would process the payment. The guidelines for the grants are attached.

During fiscal year 1987-88, the Commission for Women awarded grants to two women, totaling $199. During fiscal year 1988-89, we have awarded one grant, totaling $49. The Commission for Women appreciates your sponsoring these grants. The recipients of these awards have felt that they gained considerably from their developmental opportunities.
