Campus

Dear Dr. Scott:

As you are aware, the University functions with the assistance of a great number of committees and commissions composed of dedicated faculty, staff, and students. One of the most important of these groups is the Commission for Blacks. It has the important purpose of advising the central administration on the planning, implementation, and evaluation of University programs, policies, and services as they relate to Black students, faculty, and staff.

It is my pleasure to invite you to serve as a member of the 1980-81 Commission. Your appointment would become effective immediately, and would continue through August 31, 1981. (A list of those who are being invited to serve on the Commission is enclosed for your information along with a copy of the charge to the Commission.)

I sincerely hope that you will accept this appointment, and that you will find the work of the Commission both interesting and instructive.

Please call my office (Ms. Taylor, 2268) to confirm your acceptance by September 10, 1980.

Sincerely,

Jack E. Reese
Chancellor
