Dear Deborah:

As I make appointments to the 1980-81 administrative committees, I want to take this opportunity to inform you that, as president of the Afro-American Student Liberation Force, you are once again included in the membership of the Commission for Blacks.

This letter will make your appointment official and advise you that your term begins immediately and continues through August 31, 1981. The charge to the Commission and a list of those who will be serving on the Commission with you are attached for your information.

I know the Commission will benefit by your input into its deliberations, and I hope you will find the Commission's work both informative and satisfying.

Sincerely,

Jack E. Reese
Chancellor
