THE UNIVERSITY OF TENNESSEE RECORD
Vol. 68, No. 4, Knoxville, Tenn., July 1965
Published seven times a year, in January, March, May, July, September, November, and December. Second-class postage paid at Knoxville, Tenn.

Dear Friends of the Library:

Each year hundreds of new supporters of our Library Development Program join Alumni and other friends of the project, chiefly because they know that the statement "A mark of a Great University is an excellent library" is a statement of truth. In the year just ended, a giant step was taken toward achieving the project's ultimate goal, with contributions reaching record proportions. Since the program was initiated, your active participation has been responsible for the addition of approximately 32,034 books to the shelves of the libraries at Knoxville, Memphis, Martin, and Nashville.

Following is a summary of gifts for the six years recorded in five reports:

As in the past, we must give a generous share of the credit for the year's success to Dr. John C. Hodges, Professor Emeritus of English, who continues to serve as Coordinator for Library Development. The energy, enthusiasm, and devotion which Dr. Hodges gave to the teaching of English was, unfortunately, transferred to this assignment which he voluntarily accepted. Their generous response to his leadership is most gratifying.

Much has been done, but the task is not completed. With student enrollment increasing constantly, with research programs developed in new areas, and with the graduate population growing more rapidly than other areas of University activity, the continued search for income always the regular sources is imperative if the library is to grow to fill student needs. We trust that you will continue to include the library as a beneficiary of your philanthropy—and that we may have the pleasure of listing you in our annual library reports.

Sincerely,

John M. Smartt
Director of Alumni Affairs

IN MEMORY OF... those whom we have loved, admired, and respected, memorialized through books to be read by generation after generation.

Through books or contributions memorials may be established in the form of a book with a bookplate giving the name of the person memorialized and the donor. When such money or books are received, a letter of acknowledgment is sent to the donor and a letter of notification of the gift is sent to the person memorialized.

We very much appreciate this lasting gift in memory of Caroline B. Bogart. When such money or books are received, a letter of acknowledgment is sent to the donor. When such money or books are received, a letter of notification of the gift is sent to the person memorialized.
