The Graduate Council was called to order at 3:02 PM, in the Board Room, 8th Floor Andy Holt Tower, by Dean Anne Mayhew.

1. Minutes of the Preceding Meeting

The minutes of the March 7, 2002 meeting were approved as distributed.

2. Committee Reports

· Academic Policy

As the committee did not meet, there was no report.

· Appeals

Dr. Kay Reed presented a draft copy ([Appendix A](#)) of By-Laws and Operating Procedures on behalf of the Appeals Committee. This document was approved as presented.

Dean Mayhew noted that an appeal had been received during the past ten days. Three members of the Graduate Council were asked to serve on an ad-hoc committee to review the appeal. This committee will meet before the end of the current academic year.

· Credentials

The report on faculty applications to direct doctoral dissertations was presented during Closed Session.

· Curriculum (See [Report/Appendix B](#))

Dr. Paul Frymier (Chair) reviewed the curricular items as presented in the agenda.

Graduate Council approved a new course request for the College of Education.

Graduate Council approved a Non-Standard Format request for the College of Human Ecology.

Graduate Council approved a request by the College of Social Work for the course "Psychopath and Social Deviance." This request was originally reviewed for the March meeting and sent back for additional information. All issues have since been satisfactorily resolved.

Graduate Council returned to the College of Social Work a Non-Standard Format request for a web-based course. Upon receipt of additional information, the request will be reviewed during the committee's summer meeting.

· Graduate Deans Group

Dr. Fred Tompkins (Chair) reported on the April 11, 2002 meeting. He discussed the information-gathering process for formulating a standardized format for notification of graduate assistantship awards.

He mentioned, as well, the possibility of changing the Hilton A. Smith Fellowship into a recruiting tool, thereby eliminating eligibility for current UT students. This issue evoked discussion and concerns regarding fellowships and recruitment across campus. Dean Mayhew suggested that it may be prudent to approach the Office of Development to seek additional funds for recruitment.

Dr. Tompkins also updated the Graduate Council on the progress of the recruitment survey being conducted by the Graduate Deans Group. The first phase of the survey is being distributed this week.

The election for new Graduate Dean Chair was held during the April 25 meeting. Dean Edward Caudill (Communications) will assume this post beginning in the fall.

Graduate Student Association

Mr. Sam Morton, new GSA President, introduced the other GSA representatives in attendance, Sid Collins (new vice president) and Dan Smithwick. He reported, as well, on the following GSA activities:

Three graduate students attended the lobby trip to Nashville, representing the University among the other 22 institutions represented, garnering attention for funding for higher education. The event attracted media coverage both in Knoxville and Nashville.

The GSA is working with the Office of Graduate Student Services and the Dean of Graduate Studies to organize the Graduate Student Orientation, scheduled for August 14, 2002. Dean Mayhew urged Graduate Council members to encourage their students to attend this event, as well as to stress the importance of the GTA seminar on August 15 and its practical application for new graduate teaching assistants and new faculty members.

GSA travel fund forms and guidelines have been updated and can be found on the GSA website.

· Professional Development

The group will meet in mid-May to discuss the last round of awards. A full report will be available at a later date.

3. Other Business

The Office of Graduate Student Services developed and distributed the calendar of Graduate Studies Meeting Dates for 2002-2003 ([See Appendix C](#)).

The Nominating Committee prepared a slate of two candidates for the position of Graduate Council Chair. Drs. Feigerle and Keyhani briefly outlined their visions of the position. Members voted via paper ballots. Election results were announced via e-mail on April 26, 2002. Congratulations to new chair, Dr. Majid Keyhani.

Dean Mayhew spoke on the continuing investigation into health insurance for graduate students. A committee headed by Denise Barlow of the Office of Finance has conducted a survey of other southeastern institutions, which has brought to light many of the complexities of this issue. If the budget allows, Dean Mayhew expects a recommendation regarding health insurance to be brought before the Graduate Council sometime next year.
